Since opening in 2012, Elite Dance of Tulsa has offered premium dance instruction for a range of ages, abilities, and interests. Dance instruction is offered for dancers as young as 2 years old (Mommy and Me classes), continuing through adolescence (Level 3/4 and Company classes). Additionally, dancers who wish to be challenged and are interested in competing with the studio in the many annual competitions will have the chance to join Elite's renowned competitive team. We are thrilled to continue offering top-level instruction to dancers from Tulsa and surrounding towns!

OUR MISSION:

Our mission is to provide an elite level of dance instruction. We believe the skill and discipline required to be a great dancer help build a foundation of success for life. We hope our love of dance can inspire and motivate others to continue this art form.
